

Olimpo

70% linen, 30 % viscose | 520 gr/m²

The typical linen texture of Olimpo gives the fabric a very fine and natural overall appearance. The high percentage of linen in Olimpo is clearly evident to the touch, resulting in comfortably cool conditions for the sitter. Thanks to the combination of viscose and linen, the fabric is durable and abrasion-resistant and exhibits a fine sheen.

Olimpo is available in 10 colours.
